## A MESSAGE FROM SUPERINTENDENT DÍAZ

Dear BUSD Families,

As we approach graduation and promotion season, I would like to extend my appreciation to our students for their continued work and attendance this school year. Our 3-Year Strategic Plan aims to achieve 80% of our students reaching a minimum of 70% mastery and a minimum attendance of 90% or higher.

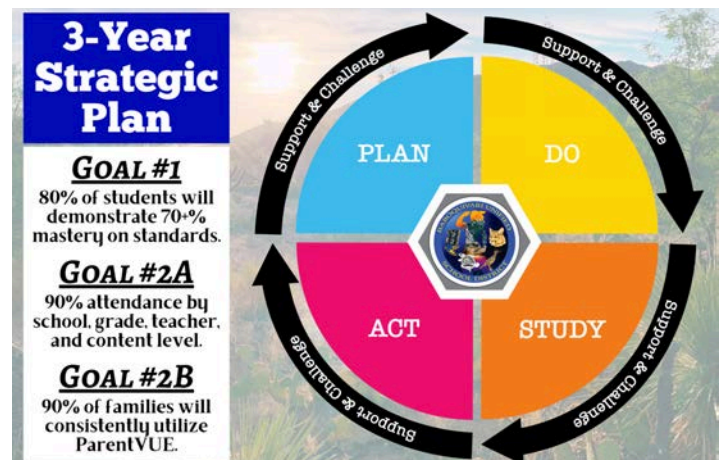

As we review our data for this year, we want to celebrate all the students that have achieved this goal and continue to encourage the rest of our students to engage in the learning so that our mastery increases as a learning community.

Next, I want to celebrate our families for joining our school events, monitoring our students' learning in ParentVue, and most importantly for sending your children to school. More than 4 absences per quarter requires a lot of catching up for the students, but it is also considered chronic absenteeism.

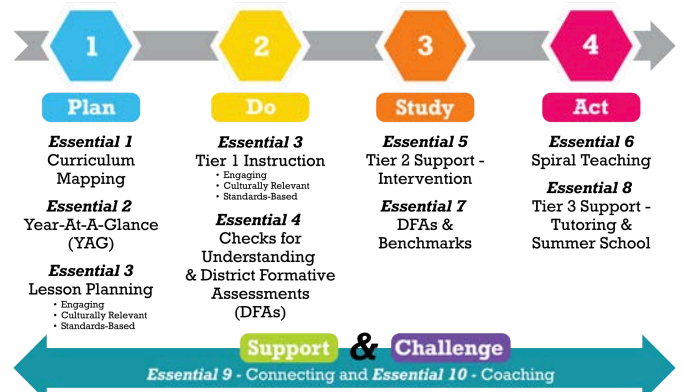

To our BUSD Staff, thank you for your hard work and commitment to our students, the team, and the community. Whether you drive from Tucson daily or you live here on the Nation, THANK YOU for choosing our District and our students.

Let's finish the year strong and with pride, especially our seniors and students being promoted to the next academic level.

Be Brave, Be Bold, Be BUSD!

## Essential 10

# A MESSAGE FROM PRESIDENT BUENDIA

Dear BUSD Students, Teachers, Families, and Community Members,

As we reflect on this school year, I am filled with immense pride and gratitude for the collective effort that has lifted up our students and strengthened our educational community. Time and again, I have witnessed the power of dedication—whether it's educators going above and beyond, families offering unwavering support, or students rising to meet challenges with resilience and determination.

This year, we've celebrated countless achievements, both big and small, because every step forward deserves recognition. These moments are more than just accolades; they are reminders of the incredible potential within each of our students. When they apply themselves, look deep within, and strive for greatness, they prove that with support and belief in themselves, anything is possible.

A cornerstone of our district's success is our unwavering commitment to Himdag and the O'odham culture, which roots our students in a profound sense of identity, history, and pride. Our language, traditions, and teachings are gifts that connect generations and empower our youth to walk forward with confidence. None of this would be possible without the wisdom and dedication of our elders, who generously share their knowledge to keep our culture alive. We also extend our deepest appreciation to the Tohono O'odham Nation's Executive and Legislative Leadership for their vital partnership and funding of our language programs. Because of their support, we are ensuring that O'odham Himdag remains a vibrant and enduring force for generations to come.

As Governing Board President, it has been an honor to work alongside my fellow board members, administrators, and all of you to foster an environment where students can thrive. Together, we are not just educating, we are building a future where our children are academically strong, culturally grounded, and equipped to lead.

Let us continue to champion one another, celebrate every achievement, and remember: our unity is our strength.

With respect and gratitude,  
 Juan C. Buendia  
 Governing Board President

## BHS STUDENTS, EMBER ANTONE & DAYNIESA MIGUEL ADVOCATE IN WASHINGTON, D.C.

Each year, over 200 school districts serving Native American students gather in Washington, DC, to advocate for Impact Aid, a federal education program. Impact Aid reimburses school districts due to the presence of nontaxable federal property.

For the last two years, BUSD has opened the invitation to any student that is willing to seek sponsors to join us in this advocacy crusade. In D.C., district representatives and students meet with state representatives to ask them to join the Impact Aid Coalition, to increase the Impact Aid allocation, and co-sponsor the advancing towards Impact Aid full funding.

In March 2025, BHS students, Ms. Ember Antone from Gu Achi District and Dayniesa Miguel from San Xavier District proudly served as BUSD Ambassadors. Their voice and personal stories strengthened the message of how vital Impact Aid is for our community.

The points emphasized during our visits with representatives included how this funding pays for our transportation department, some culture teachers, counselors, classroom technology, competitive wages to attract and retain teachers, and maintain affordable housing for staff.

As the BUSD Superintendent, I was proud of Ms. Antone and Ms. Miguel for their leadership, advocacy, and determination.

I would like to extend our appreciation to San Xavier District and Gu Achi District for valuing our students leadership and advocacy development by sponsoring our students.

# BUSD HIGHLIGHTS

As a state funded, public school district, BUSD continues to find ways to improve its services and be an educational option for our students in our community.

Some of this year's highlights include:

## TRANSPORTATION

BUSD has replaced a total of 9 buses and is currently leasing 9 more increasing the reliability of our equipment and safety of our students/staff. All buses are equipped with air conditioning and many of them with surveillance cameras.

Our transportation department is working on the logistics to release our transportation App to inform parents when the bus is arriving, if a student got on the right bus, or any group notifications.

## CTE PROGRAMS

BHS offers Career and Technical Education (CTE) opportunities to attract students to school and engage in experiences that allow them to explore their interests. We currently offer: AgriScience, Automotive Technologies, Culinary Arts, Digital Communications, and Digital Photography. Next year, we will be adding the Home Health Aide program!

These programs provide students with the opportunities to develop their skills through our multi-year programs and allow them to obtain industry certifications to assist with their post-secondary goals!

## ELEMENTARY ELECTIVES

Our Primary and Intermediate admin teams continue to make every effort to find elective courses to enrich the academic experiences for students from preschool to 6th grade. Some of the electives include Tohono O'odham Language, Art, Sports, STEM, and Library. The courses offered are based on the staff that is available and hired each year.

## MTSS

As the world for our students, parents, and staff becomes more complex, BUSD continues to explore ways to refine its Multi-Tiered System of Supports. Currently, students have access to a behavioral specialist, a counselor, credit recovery, intervention classes, summer school, and social/emotional support. BUSD also partners with the Cook Center that offers free parenting coaches to all parents interested.

## SI'ALIG KI:

What sets BUSD apart from many other districts is our Si'alig Ki, aka Sunrise House.

This community center seeks donations to support our families including clothing, hygiene items, food, and workshops. Each month, this department serves over 100 families and distributes over a ton of food. Best of all, it is FREE to all community members.

## ESS/PSYCH SERVICES

BUSD has a system in place to evaluate students who may need specialized instruction or receive related services stipulated on the IEP's.

Over 160 students are currently being served by our Exceptional Student Services team.

## EXTRACURRICULAR ACTIVITIES

Many of our students are taking advantage of our athletics program, including football, cross country, volleyball, basketball, track and field, baseball, and softball.

In addition, our Primary students are enjoying their after school programs such as running, STEM, and Oidag.

## FOOD SERVICES

BUSD has partnered with Southwest Foodservice Excellence (SFE) that takes the time to meet with and survey students each quarter to determine the quality and service of the food.

Based on students' recommendations, food can be added or removed from the menu, in accordance with nutritional guidelines.

One of the improvements this year has been offering multiple choices of meals. At the secondary level, there are 6 options to choose from: 3 hot meals, 2 cold meals, and/or a snack bar.

## MAINTENANCE & OPERATIONS

Our Director of Operations has applied for additional state grants to improve the equipment and aesthetics of our schools. Our Director has successfully secured over \$11 million to repair the roofs district-wide, renovated the kitchen at the Primary and is currently painting/weatherizing all sites.

## FAMILY LIAISONS

Another service that sets our District apart is that each one of our schools has a parent liaison that supports in delivering information, support with registration information, transports students during special circumstances, and assists at the Sunrise House.

# 2025-2026 ONLINE REGISTRATION OPEN NOW!

The 2025-2026 enrollment window is now open. Our new enrollment system in ParentVue was designed to be a friendly and fast process.

We ask that all families begin enrolling students now. Our registration deadline is Friday, June 13, 2025.

BUSD needs this information to determine what changes need to be made to the bus routes, order supplies for students and staff, order food for students, determine class sizes, if teachers need to be added or relocated, and more.

Please be proactive and help us enroll all students by the targeted date. Waiting until the last minute reduces the time we have to make the necessary preparations for our students.

# 2025 - 2026

## Registration Is Now Open!

As the 2024-2025 school year winds down, we are already gearing up for the 2025-2026 school year!!! That means that our online registration window for next school year is open!

This year, we have moved fully to ONLINE registration through ParentVUE! Paper registration forms are no longer available.

If you need assistance with online registration, our office staff will be hosting registration events on select dates through May 16th!

## Registration Deadline:

### JUNE 13, 2025

### Key Dates:

**Registration Opens:**  
Open Now!

**Registration Deadline:**  
June 13, 2025

**First Day of School:**  
July 24, 2025

### 4 Ways to Register:

1. Visit ParentVUE at [bit.ly/BUSDParentVue](https://bit.ly/BUSDParentVue)
2. Select "Online Registration" in the ParentVUE App
3. Attend a registration event on select dates (see attached calendar) **OR**
4. Stop the front office during regular business hours.

# ARTIFICIAL INTELLIGENCE POLICY

Baboquivari Unified School District was awarded the Community Oriented Policing Services (COPS) grant in 2023 and 2024 to upgrade our cameras, intercoms, front door access equipment, and chemical detectors in our schools and department buildings to improve school safety across the district.

The installation of the equipment is expected to be completed by May 2025. The Governing Board approved Board Policy ECAB on June 11, 2024, which was created to ensure the safety and security for district students and to safeguard district facilities, vehicles, and equipment.

Only authorized staff, such as IT department, district and school administrators, security, and/or staff authorized by the Superintendent and whose job description requires access, will have access to the surveillance equipment.

Staff will be trained in how to protect student information and ensure that only the necessary information is shared with individuals with direct involvement in the investigation.

In case of a major threat, such as an active shooter, BUSD will be able to share live views with law enforcement to assist in keeping students safe and contain any threats.

The intent of the updated equipment includes:

- Improving security at schools and on school grounds through the implementation of evidence-based school safety programs and technology
- Implementing school safety measures that help to promote a positive school climate that does not detract from the mission of the school to educate students or negatively impact the health and well-being of students

You can access the new policy by:

- Visiting our BUSD website ([www.busd40.org](http://www.busd40.org))
- Click on "BoardDocs" on the left side of the webpage
- Click on "Policies" in the top right corner
- Type "ECAB" in the search box at the top
- Select "Baboquivari Unified School District"

You can also email Superintendent Diaz at [rdiaz@busd40.org](mailto:rdiaz@busd40.org) if you have any questions.

## COMING SOON: STOPFINDER, TRANSPORTATION APP

We're excited to introduce Stopfinder, a new app designed to improve communication and provide real-time updates for families using BUSD transportation services.

### What is Stopfinder?

Stopfinder is a parent-friendly transportation app that allows families to stay informed about their child's bus route in real time. With this tool, we're enhancing both convenience and peace of mind for our community.

### When is it available to download?

Parents will receive an email invitation from the BUSD Transportation Department when it's time to download and activate the app. **Please keep an eye on your inbox in the coming weeks!**

### How will the app support the Transportation Department, students, and families?

For families, they will be able to set up notification points to be alerted when the bus is approaching. It will also let them know whether their child has boarded the bus.

For the Transportation Department, this means faster communication and a more efficient way to ensure student safety.

### What can families expect from the app?

Stopfinder is easy to use and customizable, providing real-time bus tracking, alerts, and student ridership details—all from a mobile device.

### What support is needed from families?

To ensure a smooth rollout, we ask that parents contact their child's school to confirm that their contact information—especially their email address—is up-to-date. This step is essential for receiving the app invitation.

### Who do families contact for support?

Once the app is launched, any questions or support needs can be directed to Timothy Ford in the Transportation Department.

# BSC TEACHER, JOSEPH MEASE, SELECTED AS FINALIST FOR TEACHER OF THE YEAR

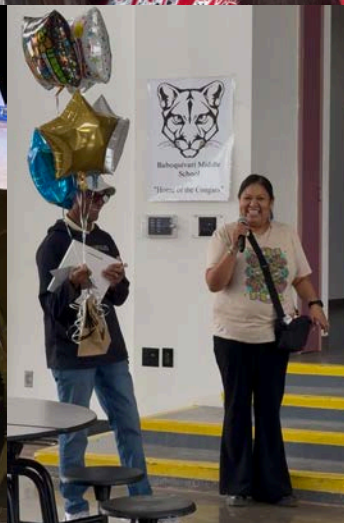

In October 2024, Mr. Mease was nominated for the University of Arizona's Department of Intercollegiate Athletics "Amazing Teacher of the Year" and was selected as one of 9 finalists!

Then, in February, KGUN 9 came out to the Secondary Campus to interview Mr. Mease about his nomination. He highlighted that his love and passion for the students and the community as why he has chosen to spend 38 years in the district.

Mr. Mease was recognized during halftime at a U of A men's basketball game. To help Mr. Mease celebrate this achievement, a Governing Board member, district and school staff, former students, family, and friend cheered him on in the stands.

It was amazing accomplishment to see one of our own being recognized! The outpouring of support from the community is a testament to the legacy that Mr. Mease has created. Thank you to all of those who shared his achievement, offered words of support, and shared their stories of Mr. Mease!

To top it all off, the students and staff at the Secondary Campus hosted their own celebration for Mr. Mease in recognition of this honor, which just happened to also fall on his birthday!

Our basketball teams have exemplified the essence of our mission by being ambassadors of BUSD extracurricular activities. Through their dedication, commitment, and sportsmanship, they have not only excelled on the court, but have also inspired future generations of students to represent BUSD with pride and excellence.

The basketball teams' journey aiming to the championships serves as a testament to their hard work and determination while motivating and inspiring our entire community. Along the way our athletes have demonstrated the true spirit of the Cougars and Warriors.

On behalf of our students, staff, Governing Board, and community, we would like to extend our sincerest appreciation and recognition to our middle school, high school, and Special Olympics basketball teams. Your efforts and commitment throughout this season have not gone unnoticed. We would also like to express our gratitude to the coaches, administrative team, teachers, families, and community for their continuous support, which has undoubtedly contributed to the success of our teams.

@ The Bridges – Raytheon  
Multipurpose Room,  
3300 S. Park Ave., Tucson, AZ

**Tickets:**

\$50 per person

**For more information, contact:**

**Reggie Brooks**

alexmemorialfund2001@gmail.com  
(520) 850-0558

Join us for a delicious dinner catered by JTED culinary students and a performance by the Baboquivari Secondary Campus waila band

The Alexander Brooks Memorial Scholarship was created by Baboquivari High School staff to honor Alex Brooks, a beloved BHS senior who passed away in May 2020, just weeks before his graduation.

In recognition of Alex's love for automotive technology and the automotive industry, this scholarship will be awarded annually to a graduating senior in BHS's automotive technology program to support their postsecondary education.

To purchase tickets or make a donation:
