Throughout the month of may as well as SY 2022-2023 your contribution, collaborative spirit and energy has fulfilled our ESS Students needs. I appreciate the level of support, guidance and teaching strategies you have provided to students at BUSD. I look forward to working with you for the year SY 2023-2024.

Reflection of 3 Year Plan

Celebrating Success within SY 2022-2023

Essential Element: State Reporting Implementation

- State reporting for ESS is an area of growth. SPED Integrity Errors are to a minimum.
- Consistent Monitoring (Monthly of ADA/McKinney Vento/ Gifted/ ESS) in order to ensure data acquisition is controlled and updated)
- IDEA Conference Participation in order to ensure State Reporting Updates

Essential Element: IEP/MET Compliance and Monitoring Systems

- Administration will have alignment of vision in regards to data compliance as well as

participation in IEP/MET meetings.

- Site Teams will begin to auto provide updates on the monitoring systems in order to align data in Synergy SE and Internal Monitoring processes

Essential Element: ESS Culture and Climate Collaboration

- Ensuring processes of collaboration through peer to peer collaborations within district sites
- Ensuring processes of collaboration through peer to peer collaborations within fellow outside district sites
- Ensuring appreciation of staff through Himdag Awards, certificates of appreciation and PD embedded support of ESS Personnel
- Collaborative efforts that relate to ESS Personnel and General Education Personnel (ESS Personnel= Specialized Design Specialist and General Education Teacher= Content Expert Specialist)

On the Horizon for SY 2023-2024

Essential Element: Consistency in Application of Best Practices with SDI and LRE

- Provide Best Practices Elements in order to ensure SDI and LRE are taking into effect
- IDEA Conference Participation in order to provide staff training in regards to updated SDI and LRE best practices.
- Peer to Peer Observations within collaborative efforts

Essential Element: Progress Monitoring Plan of Actions and Present Level Quality of Data

- ESS case managers will have equal access to benchmark data as general education teachers and will input information on their internal site monitoring system.
- Site Base Transition Plan that will provide a plan of action in transitions of academics for students that aligns to student's IEP goals.

SY 2022-2023 Best Moments of our ESS Dept **Essential Element: ESS Department Culture and Climate**

Pima County Superintendent's Office: Energize 1 Graduates

Congratulations to **Mrs. Birdsell and Ms. Vasquez** for their completion and collaborative efforts in the Aspiring ESS Director's Program entitled: **Energize #1**, alongside Diane Kent, and the Pima County Superintendent's Office. Energize is a program that provides ESS Best Practices in areas of compliance, academic and best services towards students and parents. The program is a collaborative effort of ESS Educators that collaborate with different districts in Southwest Arizona. It is a year-long program.

SY 2022-2023 ESS Team District PD Collaborations

District Collaboration * Peer Classroom Visit with Tanque Verde Unified School District and Vail Unified School District

The ESS Department has worked hard in regards to collaborative professional development in areas of specialized design instruction as well as establishing structures of "All Students Can Learn at or Higher Level"

Main Points of Emphasis on Observations:

- Inclusive Practices within a different mindset
- Collaborative practices between ESS Personnel and General Education Personnel
- Frameworks of Specialized Design Instructions
